

## JESUS COLLEGE OXFORD

### JC:P4 PHOTOGRAPHS FROM ARTHUR SPENCER THOMAS (MATR. 1927)

Arthur Spencer Thomas (1907-73), later known as Arthur Spencer Vaughan-Thomas, was the eldest son of David Vaughan Thomas, Musician, of 141 Walters Road, Swansea, and was educated at Swansea Grammar School. He read English at Jesus, getting a Fourth in 1931.

These two pages, which both consist of images of College rowing groups, come from an otherwise lost photograph album were found in the Archives in the summer of 2016. Because Spencer Thomas is identified just as "AST" on one of the photographs, it is presumed that they originally came from him; no documentation, however, about the donation of the pages is preserved in the archives.

Catalogued in October 2016.
