

JESUS COLLEGE OXFORD

JC:P6 PHOTOGRAPHS FROM KENNETH CHARLES THOMPSON (MATR. 1922)

Kenneth Charles Thompson (1904-91) came up to Jesus College in 1922. He was the eldest son of Charles Edward Thompson, Coal Exporters' Manager, of 49 Gwyde Crescent, Uplands, Swansea, and educated at Swansea Grammar School. He had been awarded a Meyricke Scholarship (worth £80 a year) in Classics, 1921. He obtained a Second in Classics Mods, 1924, a Second in Lit. Hum., 1926, and then a First in Theology, 1927. He entered St. Stephen's House in 1926.

It is not known when Thompson gave these two photographs to the archives, but his handwritten notes on the back suggest that he did so late in life. They were found in the archives in the summer of 2016. They are both "action shots" of rugby matches from 1923 in which Thompson was playing.

Catalogued in October 2016.
