AT A GLANCE: COVID-19 Information for Students

Our College intranet has a dedicated page full of useful information on COVID-19 for students. Here are some reminders to help you navigate your way around College safely and what to do if you, or someone in your household, develops symptoms.

LIFE IN COLLEGE

- We have a **one-way system** in College. Please enter through Turl Street and exit via Ship Street.
- Please wear a **face mask** in all communal spaces and keep a **2m distance** when with those from outside of your household.
- Make sure you **wash your hands** and use **hand gel**, especially before and after eating or using bathroom facilities.
- Groups of **up to six people** can meet in College, but **social distancing** must be adhered to with those outside of your household.
- **NO visitors** from outside of College are currently allowed without permission.

SYMPTOM CHECKER

- **A new continuous cough**
- **A high temperature**
- **A loss of, or change in, your normal sense of taste or smell (anosmia)**

If you have any of these symptoms, you and your household **must self-isolate immediately**. Next, book a COVID test via the University testing service and contact us to let us know that you are feeling unwell. Read **What to do if a household member has COVID symptoms** on the intranet to find out what to do while waiting for a test result and reporting the outcome.

WELFARE

We understand that this is a challenging time for all our students and your health and wellbeing is our priority. Don’t hesitate to contact a member of the Welfare Team if you need to. Details can be found on the **Welfare** section of the intranet.

TEXT ALERT SYSTEM

Download our text alert app **CallMy**, which allows us to contact all students if we need to issue an urgent message.
