COSTS

TUITION FEES

- **UK/ROI Students**

£9,250 for the academic year 2021/22. Students may pay this tuition fee up front, or defer the costs by adding the fee to their **Student Loan**, in which case the amount will be paid back **after graduation**, when the student is earning over £26,575 (England) at a rate of 9%. While you are studying, interest is the inflation rate plus 3%. Once you have left your course, your interest rate depends on your income in the previous tax year.

For example, a graduate on a salary of £28,800 will pay back £16.69 per month (income is £2,225 over the income threshold; 9% of £2,225 is £200.25 per year; which results in £16.69 per month).

Arrangements for students from **Wales, Scotland and Northern Ireland** please see:

<https://www.ox.ac.uk/admissions/undergraduate/fees-and-funding/repayments>

- **EU students**

If you are an EU national and do not live in the UK then you are likely to be charged Overseas fees. Visit the University Fees and Funding pages for further guidance: www.ox.ac.uk/funding.

- **Overseas students**

Overseas students pay a tuition fee, known as the **University Composition Fee**, which depends on the course taken. Fees for 2021 entry are: £26,770 - £37,510 (Clinical medicine fees will be significantly higher for Overseas and Islands students).

LIVING COSTS

The University of Oxford has calculated that the **living cost** (9 months) for a UK student in Oxford in 2021/22 will be at least **£10,575 per year**. Overseas students should allow more to stay during the vacations.

At **Jesus College**, specific costs are estimated as follows (2021/2022 figures):

Accommodation

- Study Bedroom in College or in Ship Street Centre
£25.35 per night = **£4,795** (including bills) for 27 weeks
- College-owned shared flat at one of our annexe sites
£19.68 per person per night = **£5,510** (excluding bills) for 40 weeks

Food

- breakfast (continental) £2.50 (average)
- self-service two-course lunch/dinner £4.65 (average)
- Formal Hall (3-course dinner) £7

Meals in Hall are optional. College flats have self-catering facilities.

Students pay a Hall Charge: £48.00 per term in College / £24.00 per term in flats.

Cost per year would be in the region of £2,000 if all meals taken during term (27 weeks).
