JC:P228/X1/I-20

7-27 Nov 1933

A set of handwritten menus for meals on 7-13, 22, and 25-27 November 1933. There are two menus each for 7-8, 10-12 and 25-26 November, and three for 9 November. In all cases the menus are different, even if sometimes the same food may be served for a course or two.

Presumably these menus were created for use in Jesus College, and probably for the use of the Senior Common Room. It is not known, however, why there should be different meals served up on the same night.
