

ENHANCED ACCESS BURSARIES

Unless otherwise specified, these enhanced Access Bursaries, funded by donors to the College, are in lieu of the regular Jesus College Access Bursaries. Eligibility is based on household income and any further criteria detailed below.

The Bowers Bursary - £1,513 per annum

One bursary is available at any one time for an eligible undergraduate in any subject. This bursary was generously endowed by alumnus Bryan Bowers (Maths, 1970).

The Elgin Fund Bursary - £3,026 per annum

One bursary is available at any one time. Preference will be given to an eligible student reading Law in their 2nd or 3rd year. The recipient must have been educated at a U.K. state school through their secondary education (except in exceptional circumstances, e.g. a refugee). This bursary has been generously supported by an anonymous donor who is an alumnus of the College.

The First 100 Bursary - £1,513 per annum

This has been set up in honour of the first 100 women to come to College (1974-1976). Two bursaries are available at any one time for eligible undergraduates in any subject. The fund has been supported mainly by the women of these years who raised £100,000 to endow these two bursaries.

The Phil Carey Bursary - £3,026 per annum

One bursary is available at any one time for an eligible undergraduate in any subject. Preference will be given to an eligible student normally resident in the EU. Phil Carey (1979 PPE) has donated £100,000 to endow this student bursary.

The Roger Hugh Bursary Fund - £5,700 per annum

One bursary is available at any one time. Preference will be given to a student reading PPE, History & Economics, E&M, or Mathematics.

The recipient will be from a household income under £25,000 but not in receipt of a Crankstart Bursary from the University. This award is in addition to the Jesus College Access Bursary and Oxford Bursary.

This bursary is dedicated in the memory of Roger Hugh (1964 PPE).

The XL Group Undergraduate Bursary - £3,026 per annum

One bursary is available at any one time for an eligible undergraduate in any subject. Members from Jesus College's XL group (a group of former Jesus students open to all alumni 40 years after matriculation) have raised £100,000 to endow this undergraduate Student Bursary.

The 1980 Bursary - £3,026 per annum

One bursary is available at any one time for an eligible undergraduate in any subject. Jesus College's 1980 matriculation year group have raised £100,000 to endow this undergraduate Student Bursary.

1982 Sean McGrady Bursary - £1,513 per annum

One bursary is available at any one time for an eligible undergraduate in any subject. Sean McGrady (1982 Chemistry) sadly died in 2017. His family and friends raised money for a spend-down bursary commencing 2019.

The Ian O'Brien STEM Bursary - £1,875 per annum

One bursary is available for 2021 entry for an eligible undergraduate in a STEM subject (Chemistry, Computer Science, Engineering, Mathematics, and Physics).

The Joan Erene Corine Martindale Clarke and Lionel Da Costa Clarke Scholarship - £3,026 per annum

One scholarship is available for an eligible black British undergraduate.

The 1970 Bursary - £1,937 pa

One bursary is available at any one time for an eligible undergraduate in any subject. Jesus College's 1970 matriculation year group have raised the funds to endow this undergraduate Student Bursary.

The Michael Sheen Bursary

A number of bursaries will be available to eligible undergraduates in any subject who are normally resident in Wales. These bursaries are generously supported by the actor and activist, Michael Sheen.
