

Photography/Filming – Individual consent form

Date of filming/photography:

Purpose of filming/photography:

I consent to Jesus College Oxford (the “College”) using photographs and/or video recordings of me taken by the College or by persons or organisations authorised on behalf of the College for the purposes of internally and externally promoting the College. These images or video recordings could be used in any media (existing or later created or made available) including print and digital media formats such as print publications, prospectuses, brochures, websites, e-marketing, posters, banners, advertising, film, social media, teaching and research purposes.

I understand that images and video on websites can be viewed throughout the world, and not just in the United Kingdom, and that some overseas countries may not provide the same level of protection to the rights of individuals as EU/UK legislation provides.

I understand that some images or recordings may be kept permanently once they are published, and be kept as an archive of College life.

I agree that:

- I will not be paid a fee in respect of any use made of the photograph(s) and/or video recording(s) but have the opportunity of being involved in promoting the College in the manner set out above;
- Copyright in the image(s) and/or video recordings will be retained by the College; and
- The College shall have the right to edit, modify, crop, add to or subtract from the photographs and/or video recordings at its entire discretion and without my approval.

I have read and understand the conditions and consent to my images and or video recordings being used as described.
